Past Performance

Department of State- Mission Georgetown, Montevideo

Georgetown, Guyana (March 2006- September 2010)

Role of Management Officer and within the Visa Section abroad. Served as intake, interviewer, and fraud manager. Held conferences for the Caribbean region to scope fraud trends in the region and adequately support the adjudication of at least 18,000 petition based visas. Managed multiple embassies and diplomatic family housing assigned to the regions.

Department of State, Consular Affairs

Washington, DC (September 2008 - August 2015)

Managed Public, Congressional, Legal, Business, visa statistics management, and inquires and corresponded with over 250 consulates and embassies world wide, daily- as needed. Functioned in every role of Consular Affairs domestically dealing with Visa Services. Managed more than 45,000 congressional inquires, petitioners, beneficiaries, and government agencies.

Department of State, Bureau of Administration

Washington, DC (August 2015 - March 2020)

Saved the Stated Department negative public image/press and millions in legal settlements/ fees due to litigated Freedom of Information Act requests, particularly with the press during the sensitive climate of the Trump/ Clinton Election.
